

From the President's Desk

Following the sad demise of our Chairman and Managing Director, Shri. A Sivasailam, the Board of Tractors and Farm Equipment Limited and of TAFE Motors and Tractors Limited have unanimously elected Ms. Mallika Srinivasan as Chairman with immediate effect. Apart from her responsibilities as Chairman, she will continue to discharge her present duties as chief executive of the two companies.

While we will miss our late Chairman's leadership, we are confident that Ms Mallika Srinivasan, as our new Chairman, will continue to provide the dynamic leadership, path breaking ideas and astute strategy to take us forward on our exciting growth plans for the future.

On behalf of all the employees at TAFE and TMTL, I assure her of our unstinted support, in the discharge of her responsibilities and in achieving our organisational goals and vision.

RC Banka

President
